11 **Sec. 2.** RCW 84.52.043 and 1995 c 99 s 3 are each amended to read
12 as follows:

13 Within and subject to the limitations imposed by RCW 84.52.050 as
14 amended, the regular ad valorem tax levies upon real and personal
15 property by the taxing districts hereafter named shall be as follows:

16 (1) Levies of the senior taxing districts shall be as follows: (a)
17 The levy by the state shall not exceed three dollars and ((sixty))
18 twenty-four cents per thousand dollars of assessed value adjusted to

1 the state equalized value in accordance with the indicated ratio fixed

9 However any county is hereby authorized to increase its levy from one
10 dollar and eighty cents to a rate not to exceed two dollars and forty-
11 seven and one-half cents per thousand dollars of assessed value for
12 general county purposes if the total levies for both the county and any
13 road district within the county do not exceed four dollars and five
14 cents per thousand dollars of assessed value, and no other taxing
15 district has its levy reduced as a result of the increased county levy.

16 (2) The aggregate levies of junior taxing districts and senior
17 taxing districts, other than the state, shall not exceed five dollars
18 and ninety cents per thousand dollars of assessed valuation. The term
19 "junior taxing districts" includes all taxing districts other than the

31 NEW SECTION. **Sec. 3.** A new section is added to chapter 84.55 RCW
32 to read as follows:

33 The state property tax levy for collection in 2000 shall be reduced
34 by ten percent of the levy amount that would otherwise be allowed under
35 this chapter without regard to this section.

36 **Sec. 4.** RCW 84.55.010 and 1997 c 3 s 202 (Referendum Bill No. 47)
37 are each amended to read as follows:

1 Except as provided in this chapter, the levy for a taxing district
2 in any year shall be set so that the regular property taxes payable in
3 the following year shall not exceed the limit factor multiplied by the
4 amount of regular property taxes lawfully levied for such district in
5 the highest of the three most recent years, except for the state which
6 shall be the most recent year, in which such taxes were levied for such
7 district plus an additional dollar amount calculated by multiplying the
8 increase in assessed value in that district resulting from new
9 construction, improvements to property, and any increase in the
10 assessed value of state-assessed property by the regular property tax
11 levy rate of that district for the preceding year.

12 NEW SECTION. **Sec. 5.** A new section is added to chapter 82.45 RCW
13 to read as follows:

14 (1) The legislative authority of the county in which a school
15 district is located shall impose an excise tax upon the sale of real
16 property at the rate of .128 percent of the selling price. This tax is
17 in addition to other taxes authorized by law and shall be collected
18 from all transactions taxed under RCW 82.45.060.

19 (2) The tax imposed under subsection (1) of this section shall be
20 deducted from the amount of tax otherwise required to be collected
21 under RCW 82.45.060 and paid over to the state treasurer under RCW
22 82.45.180.

23 (3) All revenues collected by the county under this section shall
24 be placed in the common school construction fund under chapter 28A.515
25 RCW, to be used to fund construction of capital improvements to public
26 schools or to repay bonded indebtedness incurred to fund construction
27 of capital improvements to public schools. The funds shall not be used
28 for maintenance or operation of school districts. The county may
29 reserve two percent of the tax imposed under this section for
30 administrative expenses in collecting and remitting those proceeds.

31 (4) Once a county imposes the tax under this section, the county
32 and all cities and towns within the county shall not:

33 (a) Impose fees under RCW 82.02.050 through 82.02.100 on the
34 construction, reconstruction or remodeling of residential housing to
35 pay for school facilities;

36 (b) Condition or deny a division of land under chapter 58.17 RCW on
37 the ground that the proposed plat does not make appropriate provisions
38 for sites for schools and school grounds; or

(c) Condition or deny construction, reconstruction, or remodeling of residential housing under chapter 43.21C RCW on the ground that such action has an adverse environmental impact relating to school capacity which must be mitigated upon the payment of fees to fund acquisition or rental of land, construction of capital facilities on school grounds, or acquisition or rental of school facilities.

(5) After a county planning under chapter 36.70A RCW imposes the tax under this section, the county and all cities and towns within such counties shall amend the capital facilities element of their comprehensive plans to reflect that the tax under subsection (1) of this section has replaced any funding sources in subsection (4)(a) through (c) of this section previously relied upon in their comprehensive plan.

Sec. 6. RCW 82.46.010 and 1994 c 272 s 1 are each amended to read as follows:

(1) The legislative authority of any county or city shall identify in the adopted budget the capital projects funded in whole or in part from the proceeds of the tax authorized in this section, and shall indicate that such tax is intended to be in addition to other funds that may be reasonably available for such capital projects.

(2) The legislative authority of any county or any city may impose an excise tax on each sale of real property in the unincorporated areas of the county for the county tax and in the corporate limits of the city for the city tax at a rate not exceeding one-quarter of one percent of the selling price. The revenues from this tax shall be used by any city or county with a population of five thousand or less and any city or county that does not plan under RCW 36.70A.040 for any capital purpose identified in a capital improvements plan and local capital improvements, including those listed in RCW 35.43.040; provided that the revenues shall first be applied to remedy any deficiencies in park, open space, recreational facility, and trail needs as identified in the capital improvements plan or any other comprehensive planning document of the county or city.

After April 30, 1992, revenues generated from the tax imposed under this subsection in counties over five thousand population and cities over five thousand population that are required or choose to plan under RCW 36.70A.040 shall be used solely for financing capital projects specified in a capital facilities plan element of a comprehensive plan

1 and housing relocation assistance under RCW 59.18.440 and 59.18.450;
2 provided that the revenues shall first be applied to remedy any
3 deficiencies in park, open space, recreational facility, and trail
4 needs identified in the capital facilities element of the comprehensive
5 plan. However, revenues (a) pledged by such counties and cities to
6 debt retirement prior to April 30, 1992, may continue to be used for
7 that purpose until the original debt for which the revenues were
8 pledged is retired, or (b) committed prior to April 30, 1992, by such
9 counties or cities to a project may continue to be used for that
10 purpose until the project is completed.

11 (3) In lieu of imposing the tax authorized in RCW 82.14.030(2), the
12 legislative authority of any county or any city may impose an
13 additional excise tax on each sale of real property in the
14 unincorporated areas of the county for the county tax and in the
15 corporate limits of the city for the city tax at a rate not exceeding
16 one-half of one percent of the selling price.

17 (4) Taxes imposed under this section shall be collected from
18 persons who are taxable by the state under chapter 82.45 RCW upon the
19 occurrence of any taxable event within the unincorporated areas of the
20 county or within the corporate limits of the city, as the case may be.

21 (5) Taxes imposed under this section shall comply with all
22 applicable rules, regulations, laws, and court decisions regarding real
23 estate excise taxes as imposed by the state under chapter 82.45 RCW.

24 (6) As used in this section, "city" means any city or town and
25 "capital project" means those public works projects of a local
26 government for planning, acquisition, construction, reconstruction,
27 repair, replacement, rehabilitation, or improvement of streets; roads;
28 highways; sidewalks; street and road lighting systems; traffic signals;
29 bridges; domestic water systems; storm and sanitary sewer systems;
30 parks; recreational facilities; law enforcement facilities; fire
31 protection facilities; trails; libraries; administrative and/or
32 judicial facilities; river and/or waterway flood control projects by
33 those jurisdictions that, prior to June 11, 1992, have expended funds
34 derived from the tax authorized by this section for such purposes; and,
35 until December 31, 1995, housing projects for those jurisdictions that,
36 prior to June 11, 1992, have expended or committed to expend funds
37 derived from the tax authorized by this section or the tax authorized
38 by RCW 82.46.035 for such purposes.

1 **Sec. 7.** RCW 82.46.035 and 1992 c 221 s 3 and 1991 sp.s. c 32 s 33
2 are each reenacted and amended to read as follows:

3 (1) The legislative authority of any county or city shall identify
4 in the adopted budget the capital projects funded in whole or in part
5 from the proceeds of the tax authorized in this section, and shall
6 indicate that such tax is intended to be in addition to other funds
7 that may be reasonably available for such capital projects.

8 (2) The legislative authority of any county or any city that plans
9 under RCW 36.70A.040(1) may impose an additional excise tax on each
10 sale of real property in the unincorporated areas of the county for the
11 county tax and in the corporate limits of the city for the city tax at
12 a rate not exceeding one-quarter of one percent of the selling price.
13 Any county choosing to plan under RCW 36.70A.040(2) and any city within
14 such a county may only adopt an ordinance imposing the excise tax
15 authorized by this section if the ordinance is first authorized by a
16 proposition approved by a majority of the voters of the taxing district
17 voting on the proposition at a general election held within the
18 district or at a special election within the taxing district called by
19 the district for the purpose of submitting such proposition to the
20 voters.

21 (3) Revenues generated from the tax imposed under subsection (2) of
22 this section shall be used by such counties and cities solely for
23 financing capital projects specified in a capital facilities plan
24 element of a comprehensive plan; provided that the revenues shall first
25 be applied to remedy any deficiencies in park, open space, recreational
26 facility, and trail needs identified in the capital facilities element
27 of the comprehensive plan. However, revenues (a) pledged by such
28 counties and cities to debt retirement prior to March 1, 1992, may
29 continue to be used for that purpose until the original debt for which
30 the revenues were pledged is retired, or (b) committed prior to March
31 1, 1992, by such counties or cities to a project may continue to be
32 used for that purpose until the project is completed.

33 (4) Revenues generated by the tax imposed by this section shall be
34 deposited in a separate account.

35 (5) As used in this section, "city" means any city or town and
36 "capital project" means those public works projects of a local
37 government for planning, acquisition, construction, reconstruction,
38 repair, replacement, rehabilitation, or improvement of streets, roads,
39 highways, sidewalks, street and road lighting systems, traffic signals,

1 bridges, domestic water systems, storm and sanitary sewer systems, and
2 planning, construction, reconstruction, repair, rehabilitation, or
3 improvement of parks.

4 (6) When the governor files a notice of noncompliance under RCW
5 36.70A.340 with the secretary of state and the appropriate county or
6 city, the county or city's authority to impose the additional excise
7 tax under this section shall be temporarily rescinded until the
8 governor files a subsequent notice rescinding the notice of
9 noncompliance.

10 NEW SECTION. **Sec. 8.** A new section is added to chapter 82.46 RCW
11 to read as follows:

13 real property as allowed under RCW 82.46.010 or 82.46.035 shall not:

15 construction, reconstruction, or remodeling of residential housing to
16 pay for parks, open spaces, or recreational facilities;

17 (b) Condition or deny a division of land under chapter 58.17 RCW on
18 the ground that the proposed plat does not make appropriate provisions
19 for parks, open spaces, or recreational facilities;

20 (c) Condition or deny construction, reconstruction, or remodeling
21 of residential housing under chapter 43.21C RCW on the ground that such
22 action has an adverse environmental impact relating to increased park,
23 open space, or recreational facility use which must be mitigated upon
24 the payment of fees to fund acquisition or rental of land, construction
25 or expansion of recreational facilities, or construction of capital
26 facilities to serve parks, open spaces, or recreational facilities.

27 (2) Counties and cities imposing either or both excise taxes listed
28 in subsection (1) of this section shall amend the capital facilities
29 element of their comprehensive plans to reflect that the local real
30 estate excise tax collected by that jurisdiction shall first be applied
31 to park and recreational facility deficiencies and the funding sources
32 listed under subsection (1)(a) through (c) of this section will no
33 longer be relied upon.

34 NEW SECTION. **Sec. 9.** If any provision of this act or its
35 application to any person or circumstance is held invalid, the
36 remainder of the act or the application of the provision to other
37 persons or circumstances is not affected.

1 NEW SECTION. **Sec. 10.** This act is necessary for the immediate
2 preservation of the public peace, health, or safety, or support of the
3 state government and its existing public institutions, and takes effect
4 immediately.
